Declaration on the Reach Regulation

Dear Sir or Madam

In accordance with Article 33 of the REACH Regulation, suppliers must inform their customers if the delivered product contains a substance on the REACH candidate list (SVHC list) with a mass percentage >0.1.

Lead has been included in the REACH candidate list since 27.06.2018. Our steel contains up to 0.35% lead.

For this reason, we are fulfilling our obligation as a supplier and hereby inform you that our steel contains the following substance identified as SVHC:

Werkstoff	CAS/EINECS	Liste	since
Blei (Pb)	CAS: 7439-92-1 EINECS: 231-100-4	Kandidatenliste / SVHC	27.06.2018

As a result, some of our products are currently not REACH compliant.
Alternative materials are currently being tested.

If you have any further questions on REACH, please contact Mr. Frank Schuh:

Tel. 07724 58 00 832
E-Mail: frank.schuh@abp-antrieb.de

With kind regards

ABP-Antriebstechnik GmbH
